

OBJECT TO THE PASTURING OF COWS IN THE CITY

An Injunction Suit Is Filed
Against City of Mt. Ver-
non In Common Pleas

OTHER DEFENDANTS NAMED IN THE SUIT

Decree of Divorce Granted
Maude Coile From Thomas
Scott Coile on Thursday

Henry Sebach et al. commenced
suit in the court of common pleas of
Knox county Thursday against Zena
Service, Victor Service and the City
of Mt. Vernon.

The plaintiff asks for an injunction
restraining the city of Mt. Vernon
from permitting cows to be pastured
on a lot in Riverside addition and to
restrain the defendants, Zena Service
and Victor Service, from pasturing
their cows on the said lot.

Plaintiffs allege in their petition
that the city has leased the lot to the
defendants, Zena and Victor Service,
and that they have been using the
lot for a pasture field, which is a
great annoyance to the plaintiffs in
this action.

Plaintiffs ask for a temporary in-
junction and, upon hearing of the
case, that the injunction be made
perpetual.

James B. Graham represents the
plaintiffs.

The Doctor Away from Home When
Most Needed

People are often very much disap-
pointed to find that their family phy-
sician is away from home when they
most need his services. Diseases like
pain in the stomach and bowels, colic
and diarrhoea require prompt
treatment, and have in many in-
stances proven fatal before medicine
could be procured or a physician sum-
moned. The right way is to keep at
hand a bottle of Chamberlain's Colic
and Diarrhoea Remedy. No physi-
cian can prescribe a better medicine for
these diseases. By having it in the
house you escape much pain and
suffering and all risk. Buy it now; it
may save life.
